

Get your AA event on the Humboldt Del Norte AA Website!

The District 15 website receives several hundred visitors per month. Here is the web address:

www.aahumboltdelnorte.org

The website lists **AA Meetings** and **AA Events** in and for Humboldt and Del Norte Counties.

The website is not a newspaper and we do not do “investigative reporting” of any kind. If we do not know the details of your AA event, we cannot list your AA event. If you want your AA event listed, it is up to you to get *into action*. Here is *how it works*:

To submit Your AA Event for listing on the AA Events Page:

- have your GSR or Event Representative attend a District Committee business meeting* well in advance of your AA event (we suggest 30 days or more)
- bring all AA event details and your contact person's information plus a flyer** if available
- approval or rejection of the submission will be given during the District Committee business meeting
- approved listings will appear on the Events Page on or before the last day of the submittal month

We appreciate as much advance notice of your AA event as possible!

All AA event listings are subject to approval by the District Committee — making a request does not guarantee your AA event will be listed on the AA Events page.

What happens next?

After your AA event has been approved by the District Committee, the District Committee will direct the Web Chair to list the AA event on the web page. This will usually be done within a day, but at least by the end of the month in which it was approved. ***The event will not be approved if there is no AA meeting during the event.***

Service entities such as HCI, DNI, H&I, etc. will be automatically approved – but we need you to contact us with the details since we are not good at mind reading.

To summarize the above:

Want your AA event listed on the website?

Get the information to the District Committee meeting the month before the event or sooner if you can.

Comments, suggestions, corrections, can be sent via the contact page on the website, or directed to:

**Website Committee Chair
General Service District 15
P.O. Box 3504
Eureka, CA 95502**

*District Committee business meetings are held on the first, second, or third Saturday of every month, nine times in Eureka, and three times in Crescent City. See the website for details, or contact the District at P.O. box 3504, Eureka, Ca 95502, or email the DCMC via the contact form on the website for time and location.

**8 ½ x 11 on paper is acceptable, electronic file of the document is preferred, contact web chair for details.
